

Dear Montarbo Friends,

We hereby would like to inform you that we have reached an agreement for the sale of the company Elettronica Montarbo S.r.l. to the EKO Music Group S.p.a.

Therefore, our company, starting from 15th December 2010, will undergo a change of ownership in order to be able to face with a new drive the future fundamental challenges of the market.

The EKO Music Group, leader in the production and distribution of musical instruments, has guaranteed the continuity in the daily running of the company in Bologna, allowing Montarbo to continue its activities along the path which has established it as market leader in the sector of pro audio.

We would like to underline that there will be no changes in our commercial relationship, regardless of the new ownership.

Further information regarding all the formal aspects of the transfer of ownership will be provided after the formal final deed which will take place on December 15th.

Please do not hesitate to contact us for any further detail or request for information.

Kind regards

Marisa and Maria Montanari
